The Religion War starts with a great premise: What would happen if the terrorists were successful to the point of threatening the existence of the West? One plausible result, and the one that Adams picks up, is that a Hitler-like character would rise to power in the Christian-dominated countries and would seek to end the problem of terror at any price to civilians on the other side.

Instead, Adams chose to write a fast-moving narrative replete with explosions, nerve gas, gun violence, unbelievably stereotypical characters, and a disdain for religion that offended even me, an atheist. I felt like I was reading the next frenetic bowel movement from James Patterson, not something witty, cohesive, and mind-expanding.
