Jeff Kinney has brought Greg Heffley back for the ninth instalment

of his bestselling *Diary of a Wimpy Kid* series. This time, the Heffleys are off on a road trip! The chances of survival are... quite small to be honest. If I had to guess, I'd say 90% of everything we do as a family comes from ideas Mom gets from that magazine. And when I saw the latest issue I knew it was gonna get Mom's wheels turning. When Greg's mom decides the family are going to have an 'authentic experience' this summer on a family road trip, Greg is less than excited. All the Heffley's trapped in a minivan for miles and miles... it spells disaster. And when Greg has to battle petrol-station bathrooms, crazed seagulls, a fender bender and a runaway pig, it seems he was right to be worried. This is one adventure the Heffleys won't forget! Reluctant and avid readers of 7+ can't get enough of Greg and the disasters that follow him around!

Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.
