I cannot recommend it highly enough and will be telling every new and seasoned blogger I know to get a copy! This book is comprehensive, but not

overwhelming, and packed with amazing information. And I don't say that lightly. You see, by implementing the Pinterest strategies that Ruth suggests in her book, I have increased my site traffic by over 500,000 unique visitors per month. For real. Ruth is brilliant! What more can I say?!"-Crystal Paine @ Money Saving Mom "After a year and a half of bloggging as a hobby, I decided to launch a second blog with the goal of making a profit. Ruth did an excellent job addressing all of the questions I had, including the ones that came up as I navigated through my new bloggging journey. By implementing the strategies and action plans in Ruth's eBook, I was able to surpass my one-year blog traffic goal within 3 months from launching my blog. Not only that, I was also able to earn an income within 2 months! Today, my blog traffic and income continue to steadily grow. If you are serious about monetizing your blog, Ruth provides you with the necessary tools to yield tangible results."Jesenia Montanez @ The Latina Homemaker "No bloggging for profit book has made the difference to me and my blog like this one. If you only read ONE of these subject books - LET IT BE THIS BOOK!!! After finishing the book, my blog is totally getting revamped, I have the excitement for it again, and now my whole direction has changed to not only help me become more profitable, but also for me to get back to ENJOYING what I do, which is really the best part!"-Danielle @ Busy Moms Helper "As a new blogger, I have been wanting a conversation--a seasoned blogger to talk to me about the most popular ways to monetize my blog, the pros and cons of each of them, and give me realistic tips and goals to reach my future goal. Ruth did all of this. She has such a fantastic writing style that you feel like you are sitting down with her over a cup of coffee. The material is easy to navigate, covering the importance of good content before anything else, Pinterest, media kits, reviews, ads, and a whole lot more. Ruth is incredibly level-headed in her approach to monetizing her blog and truly believes and promotes that a blog full of good ideas, content and writing must come first. My favorite part is that every chapter ends with "plan of action" which is great if you are truly looking to improve your blog. I can't wait to put her tips and ideas into action and watch my blog grow!"-Maggie @ The Love Nerds [Bloggging for Profit](#) Bluesource and Friends

There are tens of thousands of blogs created every day online. Most of these blogs are merely hobbies or personal diaries of the people who create them. For some bloggging is merely a creative outlet to express their inner thoughts or to simply broadcast their opinions to their audience. For others, bloggging is a vehicle for building a business and continuing to do what they love while having control over their destiny. This is the reason I developed an interest in bloggging, to create content people love and to build on something that I have full control over while being able to work anywhere in the world. Bloggging is not something that just about anyone can do. Sure, we can all create a webpage, throw up and blog and start posting to our heart's content, but that is no guarantee it will be successful, whether you count success as having a large following or making an income to support yourself with. Bloggging takes incredible persistence and determination, without these your blog will be neglected and fall back in line with the majority that can never make any money. Treat your blog as a successful business and have a clear vision of the goals you have in mind to take it to the top. Here are some of the chapters covered in this guide: Getting started Position your blog as a voice of authority Outsource to build a bloggging team Creating a lead magnet The dashboard Customizing your website's appearance Blog monetization - digital products (ebooks) Monetizing through sponsored posts Website flipping Listicle bloggging How to build an email list Guest bloggging Types of content that can sky-rocket your blog traffic Best bloggging resources Common mistakes... AND MORE!!! This book was designed to help you develop a greater understanding of how bloggging can be a serious business that can help you earn serious income. If you want to generate six-figure income through bloggging, this book can help you do that. Remember, the process of generating a profitable blog is not an art, it's a science. There are specific strategies that can be enforced and things that you must consider to generate the income you desire. Should you follow these steps, however, then it should be easy and feasible for you to generate six figures or more every single year from your blog.

Why nearly 90% of bloggers only make pocket money from their work... and how to be part of the top 10% that makes the big bucks. Just a few years ago, I was fired from a law firm I used to work for, was heavily in debt, and was looking for ways to make some side income online. That's around the time I started blogging. And because I really had no other choice, I pushed myself into learning every possible way I could turn my new fitness blog into a money-making machine. So, I did what you're probably doing: going through the YouTube videos, reading all the articles, buying all the courses, etc. To my dismay, I encountered the 3 challenges that stop most bloggers from making any significant income online: Information overload. The piles of information on the topic and the 'analysis-paralysis' that I got as a result prevented me from getting anything done. I followed outdated info. The internet evolves rapidly and what worked in 2018 may not necessarily work in 2019. I lacked a roadmap with a destination. Not knowing what you want and lacking a step-by-step procedure to get there is the perfect recipe for not getting any results at all. Through hard work and dedication, I was able to get past these hurdles and eventually made my first 5 figure

month a bit over a year later. Today, I am a multiple six-figure earner. Because I understand what you're going through, I've written: "Blogging for Profit 2019". In this book, I have structured an easy-to-follow, step-by-step plan based on up-to-date information that will make you start your journey towards profit on the right foot. In this book, you will: Discover the hidden step in blog creation that will make or break your blog (and how to fix this if you missed it). Up-to-date blog monetization strategies for 2019 Discover how to read the minds of your audience and write tailor-suited material for them every time! Apply savvy internet marketing secrets for sending massive traffic of buying customers to your blog. Win the social media game for getting even more traffic (No, this is not Facebook Ads). Optimize your blog to be found on the internet the right way. Discover million-dollar brand secrets for having your readers come back to your blog time and time again. Bullet-proof blog monetization strategies that can make you passive income in less than 60 days. 2019 may just be the perfect time to start creating REAL freedom in your life if you play your cards right. But Russell, I can just learn all of this on my own, can't I? You could- and you could make it work with enough time and money put in. However, that would cost you a LOT more than the price of this book. And what if I have no sales experience? Can I still make money? No worries, we're not force-pitching products to anyone. Instead, we're making interested customers come to us through our blog. What if I already have a blog? With a few tweaks, we can optimize it for making money. So don't sweat, it's nothing we can't change and improve. What are you waiting for? Click the 'add to cart' button and get your copy of *Blogging for Profit 2019!*
