The holy Bible, with a comm. and critical notes by A. Clarke Thomas Nelson

This book is a humorous rewrite of the Bible in the vernacular. The author left out most of the boring stuff, while rewriting and satirizing the really interesting stories. He points out the biblical verses that contain sex, rapes, incest, violence, genocide while focusing on the many historical errors, myths, contradictions, false prophecies, and other inconsistencies that essentially reveal that the Bible is an X-Rated book.

A commentary on the holy Bible, as literally and idiomatically tr. out of the original languages Wipf and Stock Publishers

Which Bible passages are for us today and which only apply to the first audience ancient readers? Can we just pick and choose for ourselves the verses we think fit our situation? Who gets to decide? In READ THE BIBLE FOR A CHANGE, Ray Lubeck helps readers correctly understand and relate the Bible to their lives. If you are serious about your relationship with God and committed to responding faithfully to His Word, this book is for you. Ray has devoted his life to helping people discover for themselves God's truth and see how it relates to their everyday, practical living. He will show you how to: - Read each passage in its larger biblical context - Understand the effects of its literary style - Recognize the meaning of a text - Hear God speak through the Bible's human authors - Identify the life-changing truths that apply to life today - Bring pleasure to God by obeying His Word As a college-level teacher, Ray realizes what it takes to hold the interest of students of the Bible. He uses illustrations, charts, stories, and everyday examples to make learning both fun and significant. Read the Bible for a Change will help you avoid the pitfalls and discover the truths that transform you life.

A Good Girl's Quest to Get Some Heaven on Earth BoD - Books on Demand

The no-f*cks-given guide to taming anxiety and taking back control of your life, from the bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to Calm the F*ck Down. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh*t that hasn't happened yet or freaked out about sh*t that already has, the NoWorries method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. Calm the F*ck Down explains: The Four Faces of Freaking Out -- and their Flipsides How to accept what you can't control Productive Helpful Effective Worrying (PHEW) The Three Principles of Dealing With It And much more! Praise for Sarah Knight and the No F*cks Given Guides: "Self-help to swear by." -- The Boston Globe "Genius." -- Vogue "Hilarious, irreverent, and no-nonsense." -- Bustle

And Other Naked Truths and Provocative Curiosities about the Writing, Selling, and Reading of Books Wipf and Stock Publishers

What the Bible "Really" says About Sex, and what many people think the Bible says about sex are two different things. Although the Bible clearly condemns immoral sexual behaviour, to go beyond what the Bible clearly teaches is legalism. Words like "adultery", "fornication", and "lust" do not mean the same things today that they meant in biblical times. We've also lost sight of the reasons behind the rules. What the Bible "Really" says about Sex makes a compelling biblical case for "responsible non-monogamy", also known as "polyamory". It also grapples with other difficult ethical questions concerning nudity, prostitution, pornography, homosexuality, situation ethics, polygamy, the sin of Adam and Eve, procreation, marriage, safe sex, love, sex after the resurrection, and family values. Tom Gruber gets to the crux of the matter with laser-sharp clarity. Gruber writes in a style that a layman can easily understand, a skeptic cannot easily refute, and a scholar cannot easily dispute. This highly-controversial book is a must read for all open-minded individuals seeking an accurate understanding of What the Bible "Really" says About Sex.

What the Bible "really" Says about Sex Harper Collins

Everyone knows which books people buy; they can just look at the best-seller lists. But who knows which books people steal? Who, for that matter, knows that authors ruin the book market by writing too much? Or why book critics are not critical? Or why librarians need to throw out more books? Who, indeed, knows the answer to that all-important question in our democracy: should presidents and presidential candidates write books? (The answer is no.) In this irreverent analysis of the book industry, John Maxwell Hamilton -- a longtime journalist and public radio commentator -- answers these questions and many more, proving that the best way to study books is not to take them too seriously. He provides a rich history of the book -- from the days when monks laboriously hand-copied texts to the tidal wave of Titanic tie-ins -- and gives a succinct overview of the state of the industry today, including writing, marketing, promoting, reviewing, ghostwriting, and collecting. Throughout, Hamilton peppers his prose with spicy tidbits of information that will fascinate bibliophiles everywhere. For instance, did you know that Walt Whitman was fired from a government job because his boss found Leaves of Grass, and its author, immoral? Or that the most stolen book in the United States is the Bible, followed by The Joy of Sex? How about that Dan Quayle's 1989 Christmas card read, "May our nation continue to be a beakon of hope to the world"? Or that Casanova was an ardent lover of books as well as women? Hamilton offers an inside look at the

history and business of book reviewing, explaining why, more often than not, reviewers resemble "counselors at a self-esteem camp" and examining the enormous impact of the "Oprah effect" on the market. As the self-appointed Emily Post of the book world, he advises publishers, authors, and readers on proper etiquette for everything from book parties ("Feel free to build a party around a theme in a book, no matter how tacky") and jacket photos ("You should not show off your new baby unless [your] book [is] about raising kids"), to book signings ("Just because an author has given you an autograph does not mean they want to become your pen pal") and promotion by friends and relatives ("They should carry the book at all times on public transportation with the cover showing"). Both edifying and enjoyable, Casanova Was a Book Lover fills a Grand Canyon--sized void in the literature on literature. It is indispensable for book enthusiasts who want to know the naked truth about reading, writing, and publishing.

A Dictionary of the Holy Bible Image Comics

A hilarious, irreverent, and touching account of one seriously Christian girl's struggle to please any available savior. . . . K. Dawn Goodwin's holy crusade to be the Lord's sexiest spokesperson began at the tender—but far from innocent—age of seven. And while she always thought Jesus was kinda hot, even He could not quiet the avalanche of prepubescent lust and the burning wish for a man to find her, like Bathsheba, comely enough to spy on. Crucified by soulless pretty girls and cruel jocks whose mission it was to make her life hell on earth, adolescent Dawn, painfully obsessed with her own ugliness, found slivers of sweet relief in dry-humping the scrawniest guy on the wrestling team and scribbling bodice rippers starring her favorite teacher. But, Praise Jesus, at least her virginity was intact. Until college, where, thanks to a seriously sculpted Jew, Dawn's chastity crumbled like the Tower of Babylon. Her sex marathons kept her shouting, "Hallelujah!" but with her body image in apocalyptic disarray, her future husband unable to faith-heal her as promised, and the Bible threatening an extra-crispy afterlife, Dawn would have to face down her demons. Which was okay, because they were kinda hot too. . . .

A 6x9 Lined Notebook Voracious

The birth of Jesus has been well chronicled, as have his glorious teachings, acts, and divine sacrifice after his thirtieth birthday. But no one knows about the early life of the Son of God, the missing years -- except Biff, the Messiah's best bud, who has been resurrected to tell the story in the divinely hilarious yet heartfelt work "reminiscent of Vonnegut and Douglas Adams" (Philadelphia Inquirer). Verily, the story Biff has to tell is a miraculous one, filled with remarkable journeys, magic, healings, kung fu, corpse reanimations, demons, and hot babes. Even the considerable wiles and devotion of the Savior's pal may not be enough to divert Joshua from his tragic destiny. But there's no one who loves Josh more -- except maybe "Maggie," Mary of Magdala -- and Biff isn't about to let his extraordinary pal suffer and ascend without a fight.

The Greatest Fraud Ever Told LSU Press

Reproduction of the original: The Astronomy of the Bible by E. Walter Maunder

The Athenaeum Bookwarren

This humorous book is also full of new insights into ways we've been missing the point of so many beloved Bible stories. Approximately 80 percent of Americans admit they haven't read the Bible. If they did, they'd be pleasantly surprised by its impressive variety of sex and poop jokes. David danced naked. Noah was basically a moonshining hillbilly. Ezekiel baked poop bread. Herod was eaten by worms. Jesus cursed a fig tree, just to prove he could. Mark went streaking. Hosea married a prostitute. Lot was date-raped by his own daughters. It turns out, there's a lot of weird stuff in the Bible. Murder-Bears, Moonshine, and Mayhem is a funny look at some of the stranger tales in the Bible. From Elisha, who loosed homicidal bears on some kids because they called him bald (it's a long story), to the story of Ehud, who gets away with assassinating a tyrannical king because his servants think said king is taking a dump (also a long story), this book examines and casts new light on some of the Bible's stranger moments. Organized by topic (poop, genitalia, weird violence, prostitution, gratuitous nudity, seemingly pointless miracles, and other fun stuff), Murder-Bears, Moonshine, and Mayhem is a thoroughly researched (really!), reverent, and insightful look at the amazing book at the center of our faith.

Being a Companion to the New Translation of the Old and New Covenants. Specially Designed for Those Teaching the Word of God ... Createspace Independent Publishing Platform

From the beginning the bright and articulate English teacher and the tall, strong, and equally bright minister sense they are different, but they assume they can still enjoy a friendship. And they do; Mary Kerrigan and Walter Macdonald play and probe and spar. Then the unanticipated happens: friendship deepens into love, and differences that were intriguing when they were just friends become ominous. She's irreverent; he's traditional. She's unfettered; he's committed. She's a disbeliever; he's a believer. She won't believe; he won't not believe. They are an even match. It's more than a lover's quarrel--Mary and Walter are worlds apart in ways that matter. They want desperately to find a bridge between their worlds. Their struggle pits passion against convictions. Longing for the impossible becomes finally unbearable; they have to choose.

The cult-hit, Manning Award-nominated miniseries gets collected with bonus content! When the Biblical apocalypse starts, charming bastard Bram Carlson is raptured into Heaven in a "clerical error." After he's sent back to Earth, Bram decides to cash in the end of the world for all it's worth! But can his anxious roommate Ben save his friend from himself and the mounting forces of Armageddon? Check out the book the Onion's AVClub called hilarious and IGN called ñan amazing

series!

Lamb The Naked Bible An Irreverent Exposure of Bible Verses, Versions, and Meanings That Preachers Dishonestly Ignore

There is much more to the Bible than the select cherries preachers and politicians pluck from its hundreds of pages. There exists, in fact, a massive, rotten underside. But who has the time and sufficient quantities of NoDoz to read the entire book? In this collection of brief, entertaining essays, written in a tone both matter-of-fact incredulous and wryly sarcastic, Andrew Bernardin dives deep beneath the Bible's cover to share a peek of some of the customarily cloaked, sordid content. He reveals both how "God's inerrant word" has been worded differently in many versions of the Bible, and how "God's Message" changes from Genesis to Revelation within each Bible. In addition to the essays, Naked contains bonus, eye-opening verses translated into blunt, everyday English. From front to back, The Naked Bible strips bare the outright scandalous and plainly silly alike. If you care

to know more about the lesser known Bible, this is one fun way to do it. - [Revised 04/11 to update formatting and correct typographical errors.]
