This book examines the legal and moral theory behind the law of evidence and proof, arguing that only by exploring the nature of responsibility in fact-finding can the role and purpose of much of the law be fully understood. Ho argues that the court must not only find the truth to do justice, it must do justice in finding the truth.

"The relationship between truth and politics has rarely seemed more vexed. Worries about misinformation and disinformation abound, and the value of expertise for democratic decision-making dismissed. Whom can we trust to provide us with reliable testimony? In Truth and Evidence, the latest in the NOMOS series, Melissa Schwartzberg and Philip Kitcher present nine timely essays shedding light on practices of inquiry. These essays address urgent questions including what it means to #BelieveWomen; what factual knowledge we require to confront challenges like COVID-19; and how white supremacy shapes the law of evidence"--
