Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends?
Where can we see colors?

How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford

<p>Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course. <i>Express Series English for</i></p>	<p><i>Presentations</i> Oxford University Press, USA Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life</p>	<p>such as lectures, presentations and textbooks. The course is consistent with levels A2 to C2 of the Common European Frame of Reference for the teaching of foreign languages.</p>
