Gray Star  
Chains of  
Freedom  
Wildside Press  
LLC  
Gray Star is a  
Dyson sphere,  
a world  
enclosing a  
star. A world  
of incredible  
dimensions  
and  
possibilities.  
The shell is  
two thousand  
miles thick so  
there is low  
gravity on the  
inside and this  
is where  
millions of  
people are  
trapped.

Tropical  
weather,  
abundant food  
and easy man  
powered  
flight, Eden  
you would  
think, but  
Eden means  
different  
things to  
different  
people. What  
man does in  
Gray Star is a  
reflection of  
what we do  
here on Earth.  
What would  
you make of  
Gray Star,  
would it be  
your Heaven  
or Hell. The  
various  
cultures  
existing in  
Gray Star are  
seen through  
the eyes of an  
immature,  
naive young

woman on her  
violent, erotic  
and  
humiliating  
journey  
through the  
land. She  
grows and  
matures  
quickly  
eventually  
becoming a  
power in the  
world. This  
book is for  
adults with an  
open mind

In *Morals and the Media*, Nick Russell addresses many of the concerns the public has about the media. He focuses on the fundamental moral questions and ethical dilemmas faced by journalists and discusses how the media both reflect and influence society. Displaying a

broad understanding of the issues, he examines how values have been developed and applied, suggesting value systems which can be used to judge special situations.

**Readers Best**  
Books on  
In this classic study, Pulitzer Prize-winning author James M. McPherson deftly narrates the experience of blacks--former slaves and soldiers, preachers,

visionaries, doctors, intellectuals, and common people--during the Civil War. Drawing on contemporary journalism, speeches, books, and letters, he presents an eclectic chronicle of their fears and hopes as well as their essential contributions to their own freedom. Through the words of these extraordinary participants, both Northern and Southern, McPherson captures African-American

responses to emancipation, the shifting attitudes toward Lincoln and the life of black soldiers in the Union army. Above all, we are allowed to witness the dreams of a disenfranchised people eager to embrace the rights and the equality offered to them, finally, as citizens.

### **Good Words**

Image Comics  
On the heels of her three runaway hits, Bookends, Mr. Maybe, and Jemima J, Jane Green delivers a sparkling,

sexy tale about the complexities of modern motherly love. Bestselling author Jane Green has won the hearts of thousands of readers with her fresh take on single life and the dating jungle. Now in Babyville, she applies her golden touch to the next phase of a girl's life, in an irresistible new novel about two young women coping with the chimes of their biological clocks, and one independent

glamour-girl who tries to tune hers out. Meet Julia, a wildly successful television producer who appears to have the picture-perfect life. But beneath the surface, things are not as perfect as they seem. Stuck in a loveless relationship with her boyfriend, Mark, Julia thinks a baby is the answer . . . but she may want a baby more than she wants her boyfriend. Will a trip to New

York City with a jet-setting friend—and all the glittering energy and eligible men the city brings—help her discover what she really needs? Maeve, on the other hand, is allergic to commitment. A feisty, red-haired, high-power career girl, she cherishes her ability to do just as she pleases and breaks out in a rash every time she passes a stroller. But when her no-strings-attached nightlife leads

to an unexpected pregnancy, her reaction may be just as unexpected. And then there's Samantha—happily married and eager to be the perfect June Cleaveresque mother. But baby George brings only exhaustion, extra pounds, and marital strife to her once tidy life. Is having an affair with a friend's incredibly sexy husband the answer? By turns witty, rollicking, and tender, *Babyville* isn't

really a story about babies—it's about three friends whose lives are suddenly turned upside-down by that life-changing event that hangs over the head of every girl: motherhood. *The Tent City EarthBound Books* RUIN, *The Tent City*, by Isobel Noble, is the first book of the Ruin saga. Adventure, romance, betrayal, E.S.P., a karmic debt, and an alien invasion are all set against

a post-Nuclear Winter background. The many unpredictable dangers will fire your senses and possess your imagination long after you finish the story. The Tent City populates our minds with an unforgettable cast of characters who return in subsequent volumes to lure us on in a desperate race to discover Deke Wolfson's terrifying purpose and even more terrifying destiny, as he

attempts to make the reparation that will put the Earth on a life-affirming path to the future. Imperialism and Liberty AuthorHouse Packed with primitive energy, the intertwining stories of this fantasy world will indulge your cravings for intrigue, bravery, desire, and freedom. A young warrior ruined and near death is saved by Onja a mysterious rys female. Forsaking all that he was, he will take

the name Amar and serve his new magical mistress. A lord among outlaws he will become, feared by kings and called the dro-shalum or curse demon by the common folk. Onja nurtures his growing power among the tribal kingdoms so she can strike against the tabre of Nufal. They are the ancient race of magic users that created the rys with their experimental spells, but they revile

their creations. The tabre keep the rys hidden away while they rule over their beautiful realm. The key to Onja's victory will be if she can win over the rys prodigy Dacian who is loyal to the ruling tabre order. Will he endure more dark abuses for the sake of peace or reach out to Onja and her growing army of allies? Enjoy this free ebook for Android from Google Play and discover an unforgettable

fantasy series rich in adventure. PRAISE FROM READERS "Everything is here. Magic. World building. Multidimensional character. Pathos. Conflict. I have read more than 50 books in this venue. Rys Rising is the only 5 star rating I have given." - Barnes & Noble review "I was introduced to the series by a free book- that was for the rys chronicles - I read this book as a prequel

and it fascinates me for the rest of the story. In case you missed it there is a corollary to our world and society. Disturbing to think about. Loved the book. Love the series!" - Barnes & Noble review "You will hold your breath, gulp, and shed a small tear. Falbe doesn't hold back at all! The first chapter starts out with a serious battle. How can you not get hooked?" - Amazon review "I

thoroughly enjoyed the depth and development of the characters.. the unique storyline and the fact it is a true novel not a 200 page attempt to get me to buy the next in the series... I look forward to reading every single one of this authors books!" - Amazon review Rys Rising and its sequels create a completely published series similar in style and scope to Game of Thrones by George R.R.

Martin, except everything comes together into a big conclusion. The series deals with themes of politics and religion as well as personal ambitions. The concept of humans existing as the pawns of magical creatures forms the foundation of the story. Fans of the author have compared Falbe's work to best-sellers such as Robin Hobb, Terry Goodkind, Peter V. Brett,

and Brandon Sanderson. English language fantasy ebook available in India, Australia, South Africa, Ireland, UK, Canada, New Zealand, and United States. Free download at Google Play - Read this exciting free epic fantasy on your Android. **Oceana** University of Pennsylvania Press Originally published in 1976, this anthology includes facsimile reprints of nine early

horror stories: "The Ensouled Violin," by H. P. Blavatsky; "The Green Staircase," by Gilbert Campbell; "The Haunted Hansom," by Howell Davies; "The Vial-Genie and the Mad Farthing," by Frederic de la Motte Fouque; "The Metempsychosis," by Robert McNish; "Fioraccio," by Giovanni Magherini-Graziani, translated by Mary A. Craig; "A Mystery of the Campagna," by Von Degen (pseud. of Ann C. Rabe); "The Green Hands: A Story About a Duet," by George Augustus Sala; and "Ghosts," Ivan Turgenev.

**Time: A Monthin Miscellany of Interesting and Amusing Literature; Vol V** The ShamrockThe Negro's Civil WarHow American Blacks Felt and Acted During the

War for the Union In late medieval Catholicism, mourners employed an array of practices to maintain connection with the deceased—most crucially, the belief in purgatory, a middle place between heaven and hell where souls could be helped by the actions of the living. In the early sixteenth century, the Reformation abolished purgatory, as its leaders did not want attention to the dead diminishing people's devotion to God. But while the Reformation was supposed to end communication between the living and dead, it turns out the result was in fact more complicated than historians have realized. In the three centuries after the Reformation, Protestants imagined continuing relationships with the dead, and the desire for these relations came to form an important—and since neglected—aspect of Protestant belief and practice. In *Speaking with the Dead in Early America*, historian Erik R. Seeman undertakes a 300-year history of Protestant communication with the dead. Seeman chronicles the story of Protestants' relationships with the deceased from Elizabethan England to puritan New England and

then on through the American Enlightenment into the middle of the nineteenth century with the explosion of interest in Spiritualism. He brings together a wide range of sources to uncover the beliefs and practices of both ordinary people, especially women, and religious leaders. This prodigious research reveals how sermons, elegies, and epitaphs portrayed the dead as

speaking or being spoken to, how ghost stories and Gothic fiction depicted a permeable boundary between this world and the next, and how parlor songs and funeral hymns encouraged singers to imagine communication with the dead. Speaking with the Dead in Early America thus boldly reinterprets Protestantism as a religion in which the dead played a central role. **A Novel**  
Booktango

Gideon Lake, a successful composer, is immediately smitten by Kate Solway, who lives below him. They begin a passionate affair, and Kate invites him to Europe so that they can be together without her husband finding out. But when Gideon witnesses all kinds of strange and terrifying events, he soon realizes that nothing in Kate's world is what it seems. Gideon must work out who,

and what,  
Kate really is,  
and what she  
wants from  
him . . .
