This is the first volume of a projected three-volume work on the little-known South Indian folk cult of the goddess Draupadi and on the classical epic, the Mahabharata, that the cult brings to life in mythic, ritual, and dramatic forms. Draupadi, the chief heroine of the Sanskrit Mahabharata, takes on many

unexpected guises in her Tamil cult, but her dimensions as a folk goddess remain rooted in a rich interpretive vision of the great epic. By examining the ways that the cult of Draupadi commingles traditions about the goddess and the epic, Alf Hiltebeitel shows the cult to be singularly representative of the inner tensions and working dynamics of popular devotional Hinduism.

'Religion is a tool in the hands of the oppressor against the oppressed solely because he frames the commandments and calls them the God's', is an apt description of the Hindu social order. The

book rips open the raw nerve of Hinduism—its invidious castes, positioned as a ‘God-ordained’ institution, commandeered by its freebooter priestly class while clandestinely establishing its religious, social and political hegemony through interpolation of its pristine and effulgent scriptures. The author boldly analyses this imbroglio through a microscopic analysis of these and more related issues: • How priests controlled the Hindu religious, social, educational and political apparatus? • How the dominant priestly class fractured the society into mutually antagonistic subordinated hierarchical segments, and ruled it by reserving all elite jobs for itself? • How the fiendish priesthood emasculated shudras by depriving them of the ‘shastra and shastra’ (education and arms) and made them permanent ‘village servant classes’? • How the pretensions of attaining siddhis through ‘meditation and penances’ established priests as the ‘gods on earth’ for their assertions of ‘purity and effulgence’? • How ‘karma’, ‘reincarnation’ and ‘84-lakhs births’ theories were devised to

justify fatalism and hierarchical gradation of varnas? • Can India be rightfully called the ‘vishvaguru’ and the mother of all civilisations? • How Buddhism effeminated Hindus and made them the doormats for the ruthless? • Why Hindus had to abandon their own, to adopt foreign institutions of governance? • Why Hinduism should become a universal and proselytising faith and fight demographic challenges posed by Islam and Christianity? **Sri Muruga** Sri Sathya Sai Media Centre Hymn to Tripurasundarī (Hindu deity). Census of India, 1961 Notion Press The colourful festivals of India are an integral part of the life of its people. They are symbols of the rich cultural heritage of this diverse land. Each unique festival is a celebration of great significance, where India comes alive in its fascinating best. This beautifully illustrated book tells you all about festivals from the diverse regions and religions of India; with detailed descriptions of celebrations and the story behind why each festival is celebrated.

Festivals of India Brill Archive “Sri Vidya begins where the current understanding of quantum physics ends,” say modern-day scholars about this little-known, highly esoteric spiritual tradition that has been kept under wraps by its practitioners. Sri Vidya practice is a three-fold one, encompassing mantra (sacred sound), yantra (sacred geometry) and tantra (a technique or framework for worship). Learning about the mantras used in the Sri Vidya tradition is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find. This book endeavours to explore the main mantras used in the Sri Vidya tradition and understand them as the unfolding of Shakti, the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success. Our minds and beliefs can be our strongest allies or our worst enemies. The book delves into concepts such as the importance of building the right narrative about life and the need for ritual in modern-day lifestyle. Samskara, vritti and vasana are described

along with a detailed study of tantra and Sri Vidya before a discussion on mantras in general and then focusing on the mantras used in the Sri Vidya tradition. The subjects covered seek to establish the context of mantra sadhana in Sri Vidya is to be approached, combining elements of knowledge, devotion and ritual. We live in a time of deep insecurity, stuck in the midst of a feeling of scarcity, stress and self-limiting beliefs. This book offers everyone an opportunity to learn and experience the benefits of mantra sadhana of Sri Vidya and enjoy a life of abundance in all aspects of life - good health, meaningful relationships, success at work, peace and bliss in the spiritual path. The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests, presenting the information in a non-dogmatic and practical manner. This is the fourth book by the author in the Spirituality series. The first book was about the Sri Chakra Yantra, the second was about Chakras and the third was Tantra, Mantra and Yantra of Sri Vidya.

Festivals In Indian Society (2 Vols. Set) Sarup & Sons Explores the contemporary nature and the diverse narratives, rituals, and performances of the Navaratri festival. *Nine Nights of the Goddess* explores the festival of Navaratri—alternatively called Navarātra, Mahānavamī, Durgā Pūjā, Dasarā, and/or Dassain—which lasts for nine nights and ends with a celebration called Vijayadaśamī, or "the tenth (day) of victory." Celebrated in both massive public venues and in small, private domestic spaces, Navaratri is one of the most important and ubiquitous festivals in South Asia and wherever South Asians have settled. These festivals share many elements, including the goddess, royal power, the killing of demons, and the worship of young girls and married women, but their interpretation and performance vary widely. This interdisciplinary collection of essays investigates Navaratri in its many manifestations and across historical periods, including celebrations in West Bengal, Odisha, Karnataka, Maharashtra, Tamil Nadu, Uttar

Pradesh, and Nepal. Collectively, the essays consider the role of the festival's contextual specificity and continental ubiquity as a central component for understanding South Asian religious life, as well as how it shapes and is shaped by political patronage, economic development, and social status.

Composed by the great sage of Advaita Vedanta, Adi Sankara, this work gives an exposition of the symbols of puja (worship) in light of Nonduality. Written as a dialogue between a disciple and a Guru, the disciple first asks, "What manner of worship is prescribed for the One existing as undivided Being-Consciousness-Bliss with no second, without misconceptions, and of one nature?" He then asks similar questions about the details of such in the context of utmost Nonduality, and, starting with the ninth verse, the Guru replies in the light of the Knowledge of that utmost Nonduality.

"Meri Khoj Ek Bharat ki", is my research about a

forgotten India. Yes OLD is GOLD but does the Gold have any valid significance in current world? In this book I tried to search one such an India which is lost for long time. I am referring to pre British India and Indian traditions, which were spread from Afghanistan in north to Sri Lanka in south and towards extreme eastern part of the world. Indeed this book is intended for young and old. This shall be useful for the quick references to traditions & ideals of Indians and the significance of Hinduism in the current world. Also the scientific evidence of various traditions and validity of these in the modern world has been weighed. I tried to make comparison of the current science, cosmology, Mathematics etc. with those in the recorded history of Indian Epics. I have also tried to put on some contradictory burning issues which we are facing in India today. *Encyclopaedia of the Madras Presidency and the Adjacent States* BRILL

Penguin Books India Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their

lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is

published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world

prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved. *Census of India, 1961: Mysore Notion Press* Why did Lord Krishna visit Ayodhya on Sri Ramanavami?
