Crossings Henry Holt and Company (BYR)

Arjun is a young boy who dreams of becoming a soldier. But his unexpected selection into IIT throws him in a mix. Soon, his supportive family comes to his rescue and helps him pursue his dream. During his time at the National Defence Academy, he builds life-long friendships with three other trainees. Soon he is given a chance to join the most covert and lethal team in the Indian Army, Team-A. He dedicates his life to the country and carries out life-threatening missions on numerous occasions. But one deadly terrorist attack forces Arjun to question all that he has learned and loved. Disillusioned by the actions of his fellow countrymen, Arjun decides to leave his homeland. Before he can pack up his bags and say goodbye, an airplane carrying over 200 passengers is hijacked by an unnamed group. And he is the only one who can save them. But can an embittered Arjun bring himself to risk his life, and those of his team, one more time?

Unforgettable Stories of Wartime Service Random House

From its early beginnings in World War II, the Special Air Service (SAS) has won renown in some of the most dramatic, dangerous and controversial military special operations of the 20th century. It is a secretive and mysterious unit, whose operations and internal structures are hidden from the public eye. Now, one of its longest-serving veterans offers a glimpse into the shadowy world of the SAS. Rusty Firmin spent an incredible 15 years with 'The Regiment' and was a key figure in the assault of the Iranian Embassy in London in May 1980. Newly revised and available in paperback, this is the unforgettable chronicle of Rusty's combat experiences – a fascinating and intimate portrayal of what it was like to be part of the world's most respected Special Operations Force.

Soldier Spy HarperCollins

Describes the author's childhood relocation from France to the U.S., where as a naturalized citizen he joined the military and served multiple tours in Afghanistan before he was wounded while protecting his patrol from a suicide bomber.

The Untold Story of America's Canine Heroes Crown

Amid the fearsome battles of the Civil War, both Union and Confederate soldiers were urged onward by song. There were songs to wake them up and songs to call them to bed, Songs to ready them for battle and to signal their retreat, Songs to tell them that their side was right, and the other wrong . . . And there was one song that reminded them all of what they hoped to return to after the war. Defeated in the battle of Fredericksburg, Virginia, the Union soldiers retreated across the river. There, a new battle emerged as both armies volleyed competing songs back and forth. With the Christmas season upon them, however, Federals and Confederates longed for the same thing. As the notes of "Home, Sweet Home" rose up from both sides, they found common ground for one night. Interwoven with soldiers' letters and journal entries, this is a true story of duty and heartbreak, of loyalty and enemies, and of the uniting power of music. Debbie Levy's moving text and Gilbert Ford's vibrant, layered illustrations come together to create an unforgettable tale of American history.

Simon and Schuster

“A book about young men transformed by war, written by a veteran whose dazzling literary gifts gripped my attention from the first page to the last.” —The Wall Street Journal “Friedman’s sober and striking new memoir . . . [is] on a par with Tim O’Brien’s *The Things They Carried* -- its Israeli analog.” —The New York Times Book Review It was just one small hilltop in a small, unnamed war in the late 1990s, but it would send out ripples that are still felt worldwide today. The hill, in Lebanon, was called the Pumpkin; flowers was the military code word for “casualties.” Award-winning writer Matti Friedman re-creates the harrowing experience of a band of young Israeli soldiers charged with holding this remote outpost, a task that would change them forever, wound the country in ways large and small, and foreshadow the unwinnable conflicts the United States would soon confront in Afghanistan, Iraq, and elsewhere. *Pumpkinflowers* is a reckoning by one of those young soldiers now grown into a remarkable writer. Part memoir, part reportage, part history, Friedman’s powerful narrative captures the birth of today’s chaotic Middle East and the rise of a twenty-first-century type of war in which there is never a clear victor and media images can be as important as the battle itself. Raw and beautifully rendered, *Pumpkinflowers* will take its place among classic war narratives by George Orwell, Philip Caputo, and Tim O’Brien. It is an unflinching look at the way we conduct war today.

Forever a Soldier Columbia University Press

A searing, beautifully told memoir by a Native American doctor on the trials of being a doctor-soldier in the Iraq War, and then, after suffering a stroke that left his life irrevocably changed, his struggles to overcome the new limits of his body, mind, and identity. Every juncture in Jon Kerstetter’s life has been marked by a crossing from one world into another: from civilian to doctor to soldier; between healing and waging war; and between compassion and hatred of the enemy. When an injury led to a stroke that ended his careers as a doctor and a soldier, he faced the most difficult crossing of all, a recovery that proved as shattering as war itself. *Crossings* is a memoir of an improbable, powerfully drawn life, one that began in poverty on the Oneida Reservation in Wisconsin but grew by force of will to encompass a remarkable medical practice. Trained as an emergency physician, Kerstetter’s thirst for intensity led him to volunteer in war-torn Rwanda, Kosovo, and Bosnia, and to join the Army National Guard. His three

tours in the Iraq War marked the height of the American struggle there. The story of his work in theater, which involved everything from saving soldiers’ lives to organizing the joint U.S.–Iraqi forensics team tasked with identifying the bodies of Saddam Hussein’s sons, is a bracing, unprecedented evocation of a doctor’s life at war. But war was only the start of Kerstetter’s struggle. The stroke he suffered upon returning from Iraq led to serious cognitive and physical disabilities. His years-long recovery, impeded by near-unbearable pain and complicated by PTSD, meant overcoming the perceived limits of his body and mind and reimagining his own capacity for renewal and change. It led him not only to writing as a vocation but to a deeper understanding of how healing means accepting a new identity, and how that acceptance must be fought for with as much tenacity as any battlefield victory.

The Story of a Soldier's Life Bloomsbury Publishing

NATIONAL BESTSELLER • The Pulitzer Prize-winning journalist and bestselling author lends his remarkable narrative skills to the story of the most famous POW this country has known. In *I Am a Soldier, Too*, Bragg lets Jessica Lynch tell the story of her capture in the Iraq War in her own words--not the sensationalized ones of the media's initial reports. Here we see how a humble rural upbringing leads to a stint in the military, one of the most exciting job options for a young person in Palestine, West Virginia. We see the real story behind the ambush in the Iraqi Desert that led to Lynch's capture. And we gain new perspective on her rescue from an Iraqi hospital where she had been receiving care. Here Lynch's true heroism and above all, modesty, is allowed to emerge, as we're shown how she managed her physical recovery from her debilitating wounds and contended with the misinformation--both deliberate and unintended--surrounding her highly publicized rescue. In the end, what we see is a uniquely American story of courage and true heroism.

8 Seconds of Courage Bloomsbury Publishing

This is the untold story of Sallie, a dog whose life as a soldier began in a basket and ended as a Civil War hero. The pup barked and nearly tumbled out of the basket. We laughed, and immediately we knew--she was one of us already. Brindle fur with streaks of brown and black swirled all over her like a patchwork quilt. She was as pretty as an apple tree in full bloom. We called her Sallie. During the Civil War, Sallie came to the 11th Pennsylvania Volunteer Infantry as a gift from a towns person, but she quickly became a favorite among her men. She marched with them from battle to battle, always guarding the unit's colors, and even met President Lincoln. And over three long days at the battle of Gettysburg, Sallie stayed with the dead, guarded their bodies, and nearly died herself from hunger and thirst as the conflict raged on. Though she fell in battle, her loyalty was rewarded years later when her men met again on the battlefield at Gettysburg to erect her likeness in bronze so that she might eternally guard them. This beautiful story about a dog's dedication and loyalty shows that bravery comes in all shapes and forms!

Girl Soldier Henry Holt and Company (BYR)

The author shares her life story, including her childhood attempts to receive an education, her experiences as a soldier, and her later accomplishments as a writer.

A Soldier's Story of a Forgotten War Chosen Books

A boy who hates being a slave joins the Union Army to fight for freedom, and proves himself brave and capable of handling a mule team when the need arises.

The Extraordinary True Story of a Soldier Broken by War One Point Six Technology Pvt Ltd

Before he became one of America's most respected statesmen, Bob Dole was an average citizen serving heroically for his country. The bravery he showed after suffering near-fatal injuries in the final days of World War II is the stuff of legend. Now, for the first time in his own words, Dole tells the moving story of his harrowing experience on and off the battlefield, and how it changed his life. Speaking here not as a politician but as a wounded G.I., Dole recounts his own odyssey of courage and sacrifice, and also honors the fighting spirit of the countless heroes with whom he served. Heartfelt and inspiring, *One Soldier's Story* is the World War II chronicle that America has been waiting for.

Kunda Algonquin Books

Anatomy of a Soldier is a stunning first novel—of patriotism, heroism, and profound humanism—that will immediately take its place on the shelf of classics about what it truly means to be at war. Let’s imagine a man called Captain Tom Barnes, aka BA5799, who’s leading British troops in the war zone. And two boys growing up together there, sharing a prized bicycle and flying kites before finding themselves estranged once foreign soldiers appear in their countryside. And then there’s the man who trains one of them to fight against the other’s father and all these infidel invaders. Then imagine the family and friends who radiate out from these lives, people on all sides of this conflict where virtually everyone is caught up in the middle of something unthinkable. But then regard them not as they see themselves but as all the objects surrounding them do: shoes and boots, a helmet, a bag of fertilizer, a medal, a beer glass, a snowflake, dog tags, and a horrific improvised explosive device that binds them all together by blowing one of them apart—forty-five different narrators in all, including the multiple medical implements subsequently required to keep Captain Barnes alive. The result is a novel that reveals not only an author with a striking literary talent and intelligence but also the lives of people—whether husband or wife,

father or mother, son or daughter—who are part of this same heart-stopping journey. A work of extraordinary humanity and hope, created out of something hopeless and dehumanizing, it makes art out of pain and suffering and takes its place in a long and rich line of novels that articulate the lives that soldiers lead. In the boom of an instant, and in decades of very different lives and experiences, we see things we've never understood so clearly before.

A Memoir Laurel Leaf

Part coming of age story, part immigrant tale, part World War II adventure, *Immigrant Soldier, The Story of a Ritchie Boy* follows Herman as he evolves from a frightened and frustrated teenager, looking for a place to belong, into a confident U.S. Army Intelligence officer who struggles with the conflicting emotions of hate and forgiveness.

A Mother's Story Atlantic Monthly Press

Among You is the gripping real-life story of a soldier serving on the front line in Iraq and Afghanistan, and an unforgettable, unflinching account of the effects of post-traumatic stress disorder. Jake Wood lives parallel lives: encased in the glass tower of an international investment bank by day, he is also a dedicated TA soldier who serves on the front line during the invasion of Iraq, later returning to the war zone to conduct surveillance on insurgents. Disillusioned with the dullness and amorality of the banking world, he escapes back to the army for a third tour of duty. But in Afghanistan he discovers the savage, dehumanising effects that war has on both the body and the mind. Diagnosed with chronic PTSD on his return, he must now fight the last enemy – himself – in order to exorcise the ghosts of his past. Brutally honest and beautifully written, *Among You* brings home the harsh reality of front-line combat in Iraq and Afghanistan, and the courage of the troops who risk their lives for their country, as well as revealing the devastating after-effects of service.

Anatomy of a Soldier Citadel Press

On 12 May 2009 Margaret Evison's son Lieutenant Mark Evison of 1st Battalion Welsh Guards, died of wounds sustained whilst leading a patrol in Helmand Province. Hailed a hero, Mark's death was a national sacrifice, his grave to be one of many in the identical, ordered rows in a military cemetery. But to his mother Margaret it was the most intimate of griefs. In *Death of a Soldier*, she attempts to reconcile her own unanswerable sense of loss with the idea that her son died for a good cause.

The Things They Carried Penguin UK

When Joe, a young American soldier in the Great War, lies helpless in hospital, he wanders back and forth through memories, struggling to retain his sanity and find a foothold in the world all but lost to him.

I Am a Soldier, Too Vintage

Soldier Spy is the first true story told by an MI5 officer. A shocking, honest account revealing never-before-seen detail into MI5's operation. 'I do it because it is all I know. I'm a hunter of people and I'm damn good at it.' Bestselling author Tom Marcus is the first MI5 officer to tell the true story of British counter terrorism operations on our streets. Recruited after the 7/7 attacks on London, Tom quickly found himself immersed in the tense world of watching, following and infiltrating networks of terrorists, spies and foreign agents. It was a job that took over his life for months at a time and cost him dear, taking him to the limit of physical and mental endurance. Filled with extraordinary, searing accounts of operations that saved countless lives, *Soldier Spy* is the only authentic account by an ex-MI5 officer of the round-the-clock battle to keep this country's streets safe. 'Very well written, gives a startling amount of operational detail, the biggest shock of all - MI5 agreed to its publication' Sunday Times 'A blistering, visceral insight into life on the front line against terror, revealed in remarkable detail' Daily Telegraph 'Startling, absolutely fascinating. A footsoldier's account out on the street. A vivid picture of surveillance' Midweek, Radio 4 'Gripping. One of the most successful MI5 undercover surveillance officers of his time' Sun
A True Story of War and Sacrifice Standard Ebooks

A leading reporter offers a tour of military working dogs' extraordinary training, heroic accomplishments, and the lasting impacts they have on those who work with them. People all over the world have been riveted by the story of Cairo, the Belgian Malinois who was a part of the Navy SEAL team that led the raid on Osama bin Laden's compound. A dog's natural intelligence, physical abilities, and pure loyalty contribute more to our military efforts than ever before. You don't have to be a dog lover to be fascinated by the idea that a dog—the cousin of that furry guy begging for scraps under your table—could be one of the heroes who helped execute the most vital and high-tech military mission of the new millennium. Now Maria Goodavage, editor and featured writer for one of the world's most widely read dog blogs, tells heartwarming stories of modern soldier dogs and the amazing bonds that develop between them and their handlers. Beyond tales of training, operations, retirement, and adoption into the families of fallen soldiers, Goodavage talks to leading dog-cognition experts about why dogs like nothing more than to be on a mission with a handler they trust, no matter how deadly the IEDs they are sniffing, nor how far they must parachute or rappel from aircraft into enemy territory. "Military working dogs live for love and praise from their handlers," says Ron Aiello, president of the United States War Dogs Association and a former marine scout dog handler. "The work is all a big game, and then they get that pet, that praise. They would do anything for their handler." This is an unprecedented window into the world of these adventurous, loving warriors.

From Slave to Soldier Vintage

The memoir of an infantryman's tour of duty in Vietnam during America's most controversial war. The author details being drafted into the Army in 1968, and being sent to Vietnam in 1969. He experienced losing many friends and was ultimately seriously wounded in action. This book is a testament to the triumph of the human spirit.
