MONROE CURTIS

Thirteen Crown

In this incomparably brilliant and timeless masterpiece of unrelenting cruelty, two unhappy souls; restless, tormented Rebecca and

the harmless mediocrity, McGeeeee, find themselves caught in an infinite regress of shifting identities and memories. Rebecca seeks

transcendence, an escape from a life she does not know how to live.

McGeeeee, meanwhile, seems to have no self to speak of, wandering from situation to situation without a sense of purpose. Their relationship has multiple origins, infinite endings and no conclusion. At the heart of this non-story is an unforgivable family secret from generations past. It's none of your business, but go on, have a peek, you cheeky bastard.

The Booked. Anthology

Keylight Books

The internet offers several alternatives in order to learn how to play a guitar. Many individuals are quite interested in learning how to play this interesting musical instrument.

Through guitar playing, you can express your feelings and even your mood. Discover everything you need to know by grabbing a copy of this ebook today.

Tribulations Anchor Burnt Tongues is a collection of transgressive stories selected by a rigorous nomination and

vetting process and hand-selected by Chuck Palahniuk, author of Fight Club, as the best of The Cult workshop. These stories run the gamut from horrific and fantastic to humorous and touching, but each leaves a lasting impression.

This Thing Between Us
Von Media

A new movement has replaced Project Mayhem, and even Tyler Durden doesn't know how to play by these rules. Marla Singer is about to deliver her second child, but the daddy isn't her husband--

it's Tyler, who's very invested in his heir, and the world he'll inherit, as Die Off Industries plots to fine-tune mankind. Bestselling novelist Chuck Palahniuk is back with his greatest creation, the sequel to the book that spent six months on the 2016 New York Times bestseller list. Teaming once again with award-winning artists Cameron Stewart and David Mack, Palahniuk leads a full frontal assault of the culture, from online dating to weaponized STDs, as a strange picture

frame opens a road to paradise. 2019's bestselling twelve-issue series is collected in one massive digital book. Get in touch with your ugly side. Collects Fight Club 3 issues #1-#12. "Whether you've been a fan since the '90s or were hooked by the jump to comics, you'll want to see what comes next in this highly unpredictable saga."- PASTE MAGAZINE "Fight Club 3 is everything that a sequel to a sequel should be. It elevates the dark themes of the novel and the first graphic novel to

the next illogical, insanely violent step." - COMICON.COM "Palahniuk's work takes some of our greatest shortcomings--insufficient or inadequate parenting, toxic isolation-- then magnifies and underlines them in fractured skulls and drunken vomit." - PLAYBOY "Scabby and surreal." - DEADLINE HOLLYWOOD "The first rule of the comic book incarnation of Fight Club is that it'll look good." - HOLLYWOOD REPORTER "Ambitious." - ADVENTURES IN POOR

TASTE "Trippy." -
 EVERYTHING ACTION "The talent and care that went into this issue is palpable, from David Mack's cover to Nate Piekos' lettering... This book does not allow you to get comfortable." -
 COMICWATCH "Stewart continues to do the Fight Club saga justice with his artwork...flies and all." -
 ROGUES PORTAL
 "Bold...Palahniuk doesn't give us what we want here but rather what we need. Namely a story that makes the reader think not just about what's going on but also about

their own expectations of the archetypes portrayed in the story; the flies buzzing on the page hinting at a character's intent; the name drop of "snowflake" for a caller I.D.; a subtle tattoo on the neck. All raising enough questions to leave us staring at every panel with the steely focus of a seasoned detective combing a crime scene for clues." - BIG COMIC PAGE
Bait: Off-Color Stories for You to Color Univ of South Carolina Press
 New York Times Bestseller
 "An irreverent satirical

fantasy about a sudden and violent upheaval....Think Tom Robbins channeling Jonathan Swift." —David Takami, Seattle Times
 Adjustment Day is an ingenious darkly comic work in which Chuck Palahniuk does what he does best: skewer the absurdities in our society. Geriatric politicians bring the nation to the brink of a third world war to control the burgeoning population of young males, while working-class men dream of burying the elites.

Adjustment Day's arrival makes real the logical conclusion of every separatist fantasy, alternative fact, and conspiracy theory lurking in the American psyche. *To Dust You Shall Return* Anchor Fiction. " (T)he thing I love most about a great story of provocative fiction is that despite being drawn to it, despite feeling enriched by it, it's impossible to feel completely good about. It contains at least one thing that is chilling and repellent that the power

of the text forces us to move through despite our reservations. We cannot escape the piece without confronting fear or abjection. I need provocative fiction because it helps me remember I cannot ever fully protect myself. It centers my attention in all the very places I try to avoid. My former professor Dave Hickey once said, 'Art is what tells you things are not going to be okay.' I hope you find in this collection a story that does indeed affirm for you this

agonizing truth how things are not alright in a way that is profoundly unsettling, yes, but also helps this actuality feel a bit less lonely. I know I found many." from the foreword by Alissa Nutting

Make Something Up Lulu
Press, Inc

In a small town where no
one is allowed to ever
leave, a rebellious girl
recruits the help of a
skilled assassin to
overthrow its
supernaturally powerful
rulers.

Chuck Palahniuk, Parodist
John Hunt Publishing

Want to know where
Chuck Palahniuk's tonsils
currently reside? Been
looking for a naked

mannequin to hide in your
kitchen cabinets? Curious
about Chuck's debut in an
MTV music video? What
goes on at the Scum
Center? How do you get
to the Apocalypse Café?
In the closest thing he
may ever write to an
autobiography, Chuck
Palahniuk provides
answers to all these
questions and more as he
takes you through the
streets, sewers, and local
haunts of Portland,
Oregon. According to
Katherine Dunn, author of
the cult classic *Geek Love*,
Portland is the home of

America's "fugitives and
refugees." Get to know
these folks, the "most
cracked of the crackpots,"
as Palahniuk calls them,
and come along with him
on an adventure through
the parts of Portland you
might not otherwise
believe actually exist. No
other travel guide will
give you this kind of
access to "a little history,
a little legend, and a lot of
friendly, sincere,
fascinating people who
maybe should've kept
their mouths shut." Here
are strange personal
museums, weird annual

events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on. *At the Gates of the Animal Kingdom* Crystal Lake Publishing

The hyperactive love child of Page Six and Whatever Happened to Baby Jane? caught in a tawdry love triangle with The Fan. Even Kitty Kelly will blush. Soaked, nay, marinated in the world of vintage Hollywood, Tell-All is a Sunset Boulevard-inflected homage to Old Hollywood when Bette Davis and Joan Crawford ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and a merciless send-up of Lillian Hellman's

habit of butchering the truth that will have Mary McCarthy cheering from the beyond. Our Thelma Ritter-ish narrator is Hazie Coogan, who for decades has tended to the outsized needs of Katherine "Miss Kathie" Kenton—veteran of multiple marriages, career comebacks, and cosmetic surgeries. But danger arrives with gentleman caller Webster Carlton Westward III, who worms his way into Miss Kathie's heart (and boudoir). Hazie discovers that this boulder has already

written a celebrity tell-all memoir foretelling Miss Kathie's death in a forthcoming Lillian Hellman-penned musical extravaganza; as the body count mounts, Hazie must execute a plan to save Katherine Kenton for her fans—and for posterity. Tell-All is funny, subversive, and fascinatingly clever. It's wild, it's wicked, it's bold-faced—it's vintage Chuck.

Doomed Alibi

Booked. They've traveled the country tirelessly for two years, with stops in Chicago, St. Louis, Boston,

Milwaukee, L.A., North Korea, The Dark Side of the Moon, and damn near every Waffle House along the way, all in order to bring you, the listener, over 150 episodes, over 75 authors. They've won awards, covered scoops, scandals, archived hours of authors acting badly. They've broken a few hearts on this journey - their voices can be like Russian Roulette in the headphones of the unsuspecting - but now they've called in their markers to leave their own stain on the literary

landscape. And you're holding it in your hands, or your hook, which would probably tear the hell out of lesser books. But not this one. All original stories, multiple genres, never been seen, never been read. It's their way of giving back. Although these authors probably consider it more like theft. The Booked. Anthology. There's a period in the middle because it's that serious to say it out loud. Featuring Stories by: TW Brown, Craig Clevenger, Chris Deal, Joshua Alan Doetsch, Christopher J

Dwyer, Sean P Ferguson, Matthew C Funk, Michael Paul Gonzalez, Amanda Gowin, Nikki Guerlain, Seth Harwood, Kevin Lynn Helmick, Gordon Highland, Anthony David Jacques, David James Keaton, Nik Korpon, Bob Pastorella, Cameron Pierce, Mark Rapacz, Caleb J Ross, Axel Taiari, Richard Thomas, Paul Tremblay, Fred Venturini, and Craig Wallwork. *Fugitives and Refugees* MCD x FSG Originals Now a Netflix film starring Tom Holland and Robert Pattinson A dark and

riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of *Oliver Stone's Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard

Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing

sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

Blackbirds Anchor
A father searching for his missing daughter is suddenly given hope when a major clue is discovered, but learning the truth could shatter the seemingly perfect image Hollywood is desperate to uphold. Gates Foster lost his daughter, Lucy, seventeen years ago. He's never stopped searching. Suddenly, a shocking new development provides Foster with his first major lead in over a decade, and he may finally be on the verge of discovering the awful truth. Meanwhile,

Mitzi Ives has carved out a space among the Foley artists creating the immersive sounds giving Hollywood films their authenticity. Using the same secret techniques as her father before her, she's become an industry-leading expert in the sound of violence and horror, creating screams so bone-chilling, they may as well be real. Soon Foster and Ives find themselves on a collision course that threatens to expose the violence hidden beneath Hollywood's glamorous

façade. A grim and disturbing reflection on the commodification of suffering and the dangerous power of art, *The Invention of Sound* is Chuck Palahniuk at the peak of his literary powers -- his most suspenseful, most daring, and most genre-defying work yet. [The Heart Does Not Grow Back](#) Hachette UK
“As original as it is affecting . . . left me genuinely creeped out, unsettled, and shaken. An existentially frightening book.” —Paul Tremblay, author of *Survivor Song*

“Hold on, this isn’t a ride, it’s a slide, and it doesn’t care whether you’re ready or not.” —Stephen Graham Jones, author of *The Only Good Indians* A widower battles his grief, rage, and the mysterious evil inhabiting his home smart speaker, in this mesmerizing horror thriller from Gus Moreno. It was Vera’s idea to buy the Itza. The “world’s most advanced smart speaker!” didn’t interest Thiago, but Vera thought it would be a bit of fun for them amidst all the strange occurrences

happening in the condo. It made things worse. The cold spots and scratching in the walls were weird enough, but peculiar packages started showing up at the house—who ordered industrial lye? Then there was the eerie music at odd hours, Thiago waking up to Itza projecting light shows in an empty room. It was funny and strange right up until Vera was killed, and Thiago’s world became unbearable. Pundits and politicians all looking to turn his wife’s death into a symbol for

their own agendas. A barrage of texts from her well-meaning friends about letting go and moving on. Waking to the sound of Itza talking softly to someone in the living room . . . The only thing left to do was get far away from Chicago. Away from everything and everyone. A secluded cabin in Colorado seemed like the perfect place to hole up with his crushing grief. But soon Thiago realizes there is no escape—not from his guilt, not from his simmering rage, and not

from the evil hunting him, feeding on his grief, determined to make its way into this world. A bold, original horror novel about grief, loneliness and the oppressive intimacy of technology, *This Thing Between Us* marks the arrival of a spectacular new talent.

Lullaby Dark Horse Comics

Twin sisters, discovered dead in a house. No known relatives. No foul play. Who are they? Who were they? Inspired by a true story, *Cipher Sisters* focuses on the lives of

twin sisters Lucy and Darcy, piecing together their lives from family stories, legends, and pure conjecture. We can only learn about them from stories of people who met them in passing, knew them well, crossed them, loved them. This is a collection of tales about two lives in abstract, filled with love, dedication, anger, hatred, fighting, success, failure, and perseverance.

Anchor

With the success of *Fight Club*, his novel-turned-movie, Chuck Palahniuk

has become noticed for accurately capturing the exploitation of power in America in the 21st century. With cynicism and skepticism, he satirizes the manipulative aspects of ideologies and beliefs pushing society's understanding of the norm. In this work, Palahniuk's characters are analyzed as people who rebel against the systems in control. Mikhail Bakhtin's theory is applied to explain Palahniuk's application of the comic grotesque; theories from Louis Althusser and Slavoj

Žižek help reveal aspects of ideology in Palahniuk's writing.

When Thinking is the Screaming of the Soul

Dark Horse Comics

In the third short story collection by Richard Thomas, *Tribulations*, the stories cover a wide range of dark fiction--from fantasy, science fiction and horror, to magical realism, neo-noir, and transgressive fiction. The common thread that weaves these tragic tales together is suffering and sorrow, and the ways we emerge from such

heartbreak stronger, more appreciative of what we have left--a spark of hope enough to guide us though the valley of death. Fireflies and wolves, ghosts and golems, tentacled beasts and demonic spirits--these psychological thrillers will hypnotize you as they slide the blade between your ribs, up close and personal, whispering in your ear as you gasp and pull them closer. *Tribulations* includes 25 short stories--including two that were long-listed for Best Horror of the

Year. There are also five original full-page illustrations by Luke Spooner.

Breaker Resurrection House

Transgressive fiction authors write stories some are afraid to tell. Stories with taboo subjects, unique voices, shocking images—nothing safe or dry. *Burnt Tongues* is a collection of transgressive stories selected by a rigorous nomination and vetting process and hand-selected by Chuck Palahniuk, author of *Fight Club*, as the best of The

Cult workshop. These stories run the gamut from horrific and fantastic to humorous and touching, but each leaves a lasting impression. Some may say even a scar.

Transubstantiate National Geographic Books

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds

heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

[Guitar for Beginners: Super Useful Tips You Can't Afford to Miss](#)

Otherworld Publications LLC

The first rule about fight

club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. Fight Club's estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours

boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.
