**Mr Bruff's Guide to GCSE English Language** HarperCollins UK

This short novel, published in 1886 by Robert Louis Stevenson (1850-94), may well be more familiar in its many stage, film and television adaptations than in its original form, while 'Jekyll and Hyde' has become the shorthand for a character who seems to have a 'split personality'. Stevenson claimed that the main features of the story came to him in a dream, and he wrote it very rapidly, though ill and bedridden at the time. Priced at one shilling (the genre of macabre and horror stories was known as the 'shilling shocker'), it was an immediate success. Though not the first of Stevenson's works to explore the notion of the divided self, in a period where increasing concern was felt about the possible negative sides of discoveries in both the physical and biological sciences, the story clearly struck a chord, and it has remained popular ever since.

"Coming Up for Air" is the seventh book by English writer George Orwell, published in June 1939 by Victor Gollancz. It was written between 1938 and 1939 while Orwell spent time recuperating from illness in French Morocco, mainly in Marrakesh. He delivered the completed manuscript to Victor Gollancz upon his return to London in March 1939. The story follows George Bowling, a 45-year old husband, father, and insurance salesman, who foresees World War II and attempts to recapture idyllic childhood innocence and escape his dreary life by returning to Lower Binfield, his birthplace. The novel is comical and pessimistic, with its view that speculative builders, commercialism, and capitalism are killing the best of rural England and the existence of new, external threats.

If you're at this point, you must be getting ready for your English language exams, so we have a few words of advice for you: Exams aren't bad. They're your opportunity to show off just how much you know about English--and you have been studying it since you were five, so you definitely know a thing or two! Don't worry about your exams--worry never changes anything--instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise and, because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen: it's best to work on extracts you've never read before. There is more than one way to tackle an exam paper. You could sit it in one go and complete it in exam conditions from start to finish. You could go at the papers gently, with modelled examples in front of you to help (check out the videos at youtube.com/mrbruff). Another method is to try three question threes all in a row, slide tackling your way through the paper. You might want to complete all of the Section B questions before beginning Section A. However you do it, take your time, and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at mrbruff.com. Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.

A beautiful and eerie story of love and memory from the author of The Moon Field.

**AQA GCSE English Language Practice Papers** Hachette UK

A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, New York Times Book Review). Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by a longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into a wealthy and insular art community. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love -- and at the center of a narrowing, ever more dangerous circle. The Goldfinch is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention. From the streets of New York to the dark corners of the art underworld, this "soaring masterpiece" examines the devastating impact of grief and the ruthless machinations of fate (Ron Charles, Washington Post). *AQA GCSE English Language Sample Papers (Level 9-1)* Dramatists Play Service, Inc.
