#### **American English in Mind Level 4 Student's Book with DVD-ROM and Class Audio CDs**

Cambridge University Press

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. This Workbook provides extra language and skills practice for use both in the classroom or at home. It also includes extra vocabulary exercises corresponding to the expanded lexical sets in the Student's Book 'Vocabulary bank'. 'Study Help' and 'Skills Tips' sections give learners extra support and guidance. The audio content to accompany the workbook is included on the Student's Book DVD-ROM and on the Audio CDs.

#### **American English in Mind Level 2 Workbook** Cambridge University Press

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. American English in Mind Level 4 Student's Book with DVD-ROM features 16 units. Thought-provoking reading, listening, speaking, and writing topics motivate teenage students of American English. Content-rich photostories and dialogues present contemporary spoken American English in realistic contexts. 'Culture in mind' sections give insight into different aspects of English-speaking life. **English in Mind Level 5 Workbook** Cambridge University Press

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Challenge and inspire your teenage learners to think beyond language. American Think is a vibrant course designed to engage teenage learners and make them think. As well as building students'

language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.
