Our Messianic Age Random House

What do you do when who you are destined to be, is trapped inside of who you are? This book exposes the life and legacy of Leah, the Messianic Matriarch. So little has been said about Leah in the biblical text. Her story has been easily overlooked, misinterpreted and maligned in history. Therefore, she has been given a bad rap, and many have even mistakenly called her ugly! The untold story of Leah's legacy declares that God has a purpose for your pain, a reason for your struggle and a gift for your faithfulness! Although she comes across as secondary in the eyes of her father, her sister, her husband and even in history, Leah was primary in the mind of God! Amidst this dark period of her life, God gives her a clear vision of the monumental role she played in Israel's future - birthing half of the nation of Israel, and most notably the Messianic and priestly tribes. The "left out" sister gives us a living Savior; the mistreated one gives us the Messiah! Leah's story speaks a word of hope for the disenfranchised and disadvantaged; those who know the pain of being marginalized and minimized. It's comforting to know that when we feel like the underdog, the outcast and overlooked, that our God has us in mind! He zeroes in on the thing that really matters - our response to His love. God chose the lineage of Leah to usher in the Messianic tribe of Judah, through whom His Son and our Savior, Jesus Christ would be born. Read "Clear Vision in a Dark Place" and see Leah like you have never seen her before!

The Temple And The Lodge Random House

NEW YORK TIMES BESTSELLER • SPECIAL ILLUSTRATED EDITION WITH EXCLUSIVE NEW MATERIALS
 "Enough to seriously challenge many traditional beliefs, if not alter them."—Los Angeles Times Book Review
 Explosive, thought-provoking, fiercely compelling, Holy Blood, Holy Grail breaks bold new ground with its shocking conclusions about the lineage of Christ and the legacy of the Holy Grail. Now this lavishly illustrated collector's edition features exclusive new material plus dozens of photographs, drawings, symbols, architecture, and artwork, making it a dazzling feast for the eyes as well as the mind. Based on decades of research, filled with eye-opening new evidence and stunning scholarship, this authoritative work uncovers an alternate history as shocking as it is believable—as it dares to ask: Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a

father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets in Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible—they are probably true. So revolutionary, so original, so convincing, the most faithful Christians will be moved; here is the book that has sparked worldwide controversy, now newly updated and beautifully illustrated.

The Templar Revelation Harper Collins

In the course of their investigations into Leonardo da Vinci and the Turin Shroud, Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion. More clues were found in a twentieth-century London church. These were the beginnings of a quest through time and space that led the authors into the mysterious world of secret societies and such bodies as the Freemasons, the Knights Templar and the Cathars and finally back to the ideas and beliefs of the first century AD and a devastating new view of the real character and motives of the founder of Christianity and the roles of John the Baptist and Mary Magdalene. They reveal nothing less than a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals, whose revelation could shake the foundations of the Church.

Clear Vision in a Dark Place HarperOne

Here is the secret behind the power of the United States. In this book, readers discover the Absolutes that must be honored in order to realize Messianic consciousness. A consciousness that is required if we, the people of the United States, want to hold our authorities to the rule of law mandated by our Constitution. Mother Mary challenges you to discover your Messianic consciousness in order to realize God, your family and the United States as they are meant to be—as you want them to be. Mother Mary steps up to the platform where church and state meet and exposes her weaknesses and experiences in order to inspire you to step up with her. United We the People have the power to ensure liberty and prosperity; we have the power to create miracles.

Divining History Corgi Books

In a series of different chapters Michael Baigent examines a number of enigmas surrounding such ancient mysteries as Atlantis and the Pyramids. He investigates such questions as whether there were ancient contacts between Europe and America, and whether a great catastrophe hit the planet

around 10000 BC. And in the process he calls into question much of today's orthodoxy on such subjects.

The Holy Place Lulu.com

This text explores controversial ideas in 'The Da Vinci Code' and the real and remarkable significance of Magdalene to our culture and to Christianity itself.

Ancient Traces Arcade Publishing

Hailed as "one of the more controversial books of the 20th century," (UPI) *Holy Blood, Holy Grail* rocked the very foundation of Christianity. Now four more years of research have uncovered shocking material -- and its earthshaking consequences... Here is the book that reveals the answers to these intriguing, potentially explosive questions. Utilizing the same meticulous research that catapulted their first book onto the bestseller lists, the authors again bring an enlightening message of truth -- and urgent importance -- to Christians and non-Christians the world over. Book jacket.

Bloodline of the Holy Grail Delacorte Press

The Messianic Apostasy: A Synopsis of the Historical Deviation of Pauline Orthodoxy provides a reappraisal of early Pauline theology in the context of 1st-century Palestine and the Hellenistic world in which Paul lived. This scholarly text examines the heretical elements within St Paul's theology in the context of his contemporary Judaism and how the early Christian church of the first three centuries of the Common Era drew its influences from him. Theological scholar, Colin E Davis, investigates the philosophical and religious zeitgeist of the period and Paul's eventual development of the concept of 'his Christ figure' along possible Nazarean lines.

Reclaiming Our Forgotten Heritage HarperCollins UK

Identification of the Royal Psalms by Herman Gunkel indicates that the history and genre of the Royal Psalms must be distinguished from the Enthronement Psalms that are written to celebrate Yahweh's Kingship from those written to celebrate Davidic kingship. In reference to this, Joachim Becker argues against the presence of messianic Davidic Psalms in the Old Testament and posits that the initial hope in Davidic kingship died out during the exilic period and consequently centered Israelite faith in Yahweh alone. It may thus be concluded that Yahweh's Kingship effaces the place of the Davidic Messiah. Against this claim, *The Messianic Kingship of Jesus* argues that the early Christian use of Psalm quotations in particular suggest that the Royal and Enthronement Psalms were viewed as one entity which suggests that Yahweh's reign and Davidic kingship in Jewish-Christian thinking were not antagonistic but mutually complementary. Within the synoptic tradition, Matthew's emphasis on Davidic heritage supports this notion as he applies 'Son of David' to the 'Son of God' and also 'Son of Man.' Therein lies 'paradoxical tension' in the use of the old Jewish Scripture as early Christians, on the one hand, sought to preserve their Jewish legacy but, on the other, creatively employed the Old Testament to support their christological message and the divine attributes of Jesus expressed in the Gospel. The entire process of quotation by Matthew generates one of the major characteristics of Judeo-Christian religiosity; namely, the manifestation of divine redemptive activity in the history of Israel.

El Legado Mesianico Thomas Nelson

Bestselling Author Michael Baigent Exposes Religious Extremists' Efforts to Hasten the World's End in Jerusalem Do you believe in prophecy? The Bible as literal truth? Armageddon? The Rapture? The

return of the Da'jaal? Or the creation of a worldwide caliphate as a harbinger of the end of time? More important, if presented with compelling evidence, would you believe that there are today powerful forces actively conspiring to bring about these cataclysmic events within our lifetime? In his provocative book *Racing Toward Armageddon*, Michael Baigent, bestselling author and one of the most controversial religious theorists of our time, turns his keen attention to modern-day Jerusalem and its increasingly important role in global affairs, exploring yet another of his explosive theories: that hard-liners within the three great Abrahamic religions, many of whom hold positions of enormous influence in government, industry, and the military worldwide, are working to hasten our end as prophesied in each of their texts and traditions of faith. Exposing these forces, the myths upon which many of their beliefs are based, the stealth action they have been taking for decades, and the insidious and potentially devastating effect they are having upon the educational, political, cultural, and spiritual fabric of our society, Baigent poses the pressing question: Can we really afford to remain oblivious much longer?

Christian Beginnings AuthorHouse

In this enthralling historical detective story, the authors of *The Holy Blood and the Holy Grail* trace the flight after 1309 of the Knights Templar from Europe to Scotland, where the Templar heritage was to take root, and would be perpetuated by a network of noble families. That heritage, and the Freemasonry that arose from it, became inseparable from the Stuart cause. *The Temple and the Lodge* charts the birth of Freemasonry through the survival of Templar traditions, through currents of European thought, through the mystery surrounding Rosslyn chapel, and through an elite cadre of aristocrats attached as personal bodyguards to the French king. Pursuing Freemasonry through the 17th and 18th Centuries, Michael Baigent and Richard Leigh reveal its contribution to the fostering of tolerance, progressive values, and cohesion in English society, which helped to pre-empt a French-style revolution. Even more dramatically, the influence of Freemasonry emerges as key factor in the formation of the United States of America as an embodiment of the ideal 'Masonic Republic'.

The Messianic Apostasy Planeta

From the coauthor of *Holy Blood, Holy Grail*—a basis for *The Da Vinci Code*—comes a deeper exploration of the secrets of Rennes-le-Château. In 1982, Henry Lincoln, along with colleagues Michael Baigent and Richard Leigh, published *Holy Blood, Holy Grail*, which became an immediate international bestseller. It investigated Rennes-le-Château, a small town in France where, in the late nineteenth century, Bérenger Saunière's discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs—including the possibility that Jesus's bloodline still exists. The treasure's story moved back through history to the Crusades, the origins of the Knights Templar, and the Virgin Birth itself. While Baigent and Leigh have moved on to different subjects, Lincoln has continued to pursue the mysteries of Rennes-le-Château. Dan Brown's international bestseller *The Da Vinci Code*—based on *Holy Blood, Holy Grail*—reignited curiosity about this ancient, powerful town. In *The Holy Place*, Lincoln reveals through further surveys, decoding, and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece—a holy place of enormous size and importance.

Erceldoune & Other Stories National Geographic Books

The Dead Sea Scrolls were found in caves 20 miles east of Jerusalem in 1947 and 1956. Now Michael

Baigent and Richard Leigh, co-authors of *The Holy Blood and the Holy Grail*, have succeeded in uncovering what has been described as 'the academic scandal par excellence of the twentieth century': the story of how and why up to 75 per cent of the eight hundred ancient Hebrew and Aramaic manuscripts, hidden for some nineteen centuries, have, until very recently, remained concealed from the rest of the world. Through interviews, historical analysis and a close study of both published and unpublished scroll material, the authors are able to reveal the true cause of the bitter struggle between scholars, for these documents disclose nothing less than a new account of the origins of Christianity and an alternative and highly significant version of the New Testament.

[The Magdalene Legacy](#) Brill Schoningh

Did Jesus marry and have children with Mary Magdalene? If so, what happened to his family? Are descendants of Jesus still alive today? This account of the potential family line that the author believes was born from Jesus Christ encompasses some of the most romantic, colourful and sacred territory of the past 2000 years.

[The Messianic Legacy](#) Princeton University Press

For millennia, messianic visions of redemption have inspired men and women to turn against unjust and oppressive orders. Yet these very same traditions are regularly decried as antecedents to the violent and authoritarian ideologies of modernity. Informed in equal parts by theology and historical theory, this book offers a provocative exploration of this double-edged legacy. Author Jayne Svenungsson rigorously pursues a middle path between utopian arrogance and an enervated postmodernism, assessing the impact of Jewish and Christian theologies of history on subsequent thinkers, and in the process identifying a web of spiritual and intellectual motifs extending from ancient Jewish prophets to contemporary radicals such as Giorgio Agamben and Slavoj Zizek.

[The Messianic Legacy in the Age of Aquarius](#) HarperCollins UK

An essential notion in the #1 New York Times bestseller *The Da Vinci Code* is the existence of an age-old French society, the Priory of Sion, whose task it is to protect Christ's sacred bloodline. In *The Sion Revelation*, Picknett and Prince reveal the story of the Priory, taking readers on a highly significant, disturbing, and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced, both religious and political. Drawing on a wealth of astonishing evidence, they answer numerous questions that shroud this society, including: • Does the Priory actually exist or is the group's entire history an elaborate hoax? • Was Leonardo da Vinci really one of the Priory's Grand Masters? • What is the truth behind Pierre Plantard, the enigmatic French aristocrat who claimed to be a Priory Grand Master -- and who some claim was a Nazi sympathizer? • Could the Priory be a front for other occult societies in Europe with religious or even political agendas? By carefully untangling centuries of obfuscation, rumor, and documented fact, *The Sion Revelation* unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling.

[The Holy Blood And The Holy Grail](#) Weiser Books

The startling, frighteningly convincing sequel to *The Holy Blood and the Holy Grail* that reveals the very nature of the Messianic Legacy. After the shocking revelations of *The Holy Blood and the Holy Grail* the authors, in their quest to determine the discrepancies between early and modern

'Christian' thought, found that they were forced to ask such questions as: *Was there more than one Christ? *Was Christ the founder of Christianity? *Were the disciples as peace-loving as it is traditionally assumed? *What links the Vatican, the CIA, the KGB, the Mafia, Freemasonry, P2, Opus Dei and the Knights Templar *What mysterious modern crusade implicates British industry, Churchill and de Gaulle, the EEC and Solidarity? *The Messianic Legacy* offers enthralling new investigations into the shadowy society of the 'Priore de Sion' - 'The Guardians of the Holy Grail' - as the authors discover the murky world of politics, finance, freemasonry, and religion that exists beneath the most solid and conservative seeming of European institutions: the Church. The ominous global conspiracy of disinformations they uncovered ensures that *The Messianic Legacy* is an up-to-the-minute thriller and a work of biblical detection that is even more significant than *The Holy Blood and the Holy Grail*.

[The Messianic Legacy](#) Wipf and Stock Publishers

Did Jesus claim to be the long-awaited "messiah"? Going against much contemporary scholarship, Australian scholar Michael Bird argues that he did. He begins by exploring the messianic expectations in the Old Testament and Second Temple Jewish literature. Next, Bird points out weaknesses in current arguments that "Messiah," or "Christ," was a title given to Jesus by the early church but not used by Jesus himself. Bird then examines the Gospels and related literature, finding in Jesus's words and actions evidence that he saw himself as the messiah described in the Scriptures of Israel and believed that Israel's restoration hinged on the outcome of his ministry.

[The Magdalene Legacy](#) Berghahn Books

Three narratives and an essay by New York Times bestselling author Richard Leigh. Mr. Leigh is co-author, with Michael Baigent and Henry Lincoln, of *Holy Blood, Holy Grail*, the controversial international bestseller. With Michael Baigent, Mr. Leigh has co-authored *The Messianic Legacy*, *Secret Germany*, *The Inquisition*, and *The Elixir and the Stone*. Here Leigh weaves three tales of magic and timeless mystery. Two novellas, 'Erceldoune' and 'The Oisín Society', one short story, 'Druidesse', and an essay 'Mythic Logic', explore the forces at play where the past, present, and future of Ireland intersect.
