**New Grade 9-1 GCSE Combined Science: OCR Gateway Revision Guide with Online Edition - Higher** Harpercollins Pub Limited

Foreword by M. G. Leonard: 'It's rare to find a book that's as useful as it is inspiring ... essential reading.' The indispensable guide to writing for children and young adults, this Yearbook provides inspirational articles from successful writers and illustrators, as well as details on who to contact across the media. It provides practical advice on all stages of the writing process from getting started, writing for different markets and genres, through to submission to literary agents and publishers as well as on the financial and legal aspects of being a writer. Widely recognised as the essential support for authors and illustrators working across all forms: fiction, non-fiction, poetry, screen and theatre, it is equally relevant to those wishing to self-publish as well as those seeking a traditional publisher-agent deal. New articles for 2022: Christopher Edge Plotting and pace in your middle-grade adventure L. D. Lapinski World-building in your fantasy fiction Anna Wilson Finding your voice and point of view Rachel Bladon The learning curve: writing for the children's educational market Jenny Bowman How to hire a freelance editor Sophie Clarke The life and works of a literary scout Rachel Rooney Writing poetry for children

Connecting Science is a new enquiry-based course that offers complete flexibility to enable personalised learning across Key Stage 3. The Pupil's Guide provides complete coverage of Key Stage 3 Science in a single reference volume. The Teachers Guides provide plans for Core and Options lessons matched to the Pupil's Guide topics, while the Lesson Builder tool within Dynamic Learning enables complete flexibility in lesson design and activity choice. Pupils use the Guide to look up key facts and explanations, when working on tasks independently or in groups. Each spread combines detailed illustrations with clear explanations of key scientific ideas and models. Practical and enquiry skills and understanding evidence are developed in a range of contexts, emphasising

the importance of science in everyday life. Things to think about boxes fire pupils curiosity and encourage them to find explanations and ask further questions. The website also gives pupils access to: An interactive copy of the Pupil's Guide that is fully searchable Self-assessment checklist of targets for each topic Background information and suggested, vetted weblinks ASE and the Centre for Science Education are delighted to be working with Hodder Education to support relevant and contemporary Science in your Key Stage 3 teaching through full integration of Upd8 Topicals with Connecting Science and Science. Visit [www.dynamic-learning.co.uk](http://www.dynamic-learning.co.uk) or [www.upd8.org.uk](http://www.upd8.org.uk) to find out more about this exclusive partnership.
