~\*~\*~2010 EPIC AWARD FINALIST!~\*~\*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:“Peep!” The voice shook the room and the startled girl looked up as Mother came in. “Do you know where your sheep are now?”“No, Mother.” The girl looked up from her position, kneeling on the floor, her blue eyes wide. “I penned them before I left, I swear it.”Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes.“You are a pretty little one,” Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. “Sometimes I think you're just playing dumb.”“No, Mother,” Peep implored, shaking her head. “I penned them, I promise you.”“Is that so?” Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access.Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor.“Mother, please,” Peep pleaded. “I will go tend them, if you let me.”Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. “I think we need a little correction, don't you?” Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection.“Please,” Peep pleaded again, her eyes downcast. “I'll be a good girl.”“Yes,” Mother murmured, coming to caress the her cheek with her soft hand. “You will.”Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped.“No... this is good,” Mother said, tightening the sashes at the girl's ankles, chuckling. “Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them.”Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall.“Peep's little puss,” Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. “I love peeping at Peep's little puss.” Mother giggled, wiggling her fingers through and finding the girl's clit.“Oh, Mother!” Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

A collection of five erotic stories with mixed themes including lesbian, menage and sex with strangers. The Librarian by Eva Hore A young woman returns early to her shared apartment, to find her scantily clad room mate preparing for a mysterious night-out. Where does a Librarian go after a day in the stacks? Imagination runs riot as an increasingly lecherous scenario unfolds in the young woman's mind. Her room mate's daytime mousy demeanour, tight bun and glasses are soon discarded, to reveal a wanton dominatrix hell bent on tasting the delights of her desires. Wreck-Her by Lynn Lake A business woman is unexpectedly delayed as her company car breaks-down, deep in the sun-parched Manitoba prairie. With no cell phone signal and the soaring heat of the surroundings rising, desperation rapidly begins to set in. Help soon arrives in the form of a tow truck that stops to

offer assistance. After thoroughly appraising the situation, the truck driver is soon ready to dispense a unique form of roadside assistance that ultimately proves much to the woman's delight. Mixed Blessings by Phoebe Grafton Two friends are in need of temporary relief from their respective husbands. With one husband too demanding and the other too languid, both wives decide that a weekend exchange is the best tonic. A plan is hatched, and after a night out together is put into effect, as door keys are exchanged for each others home and husband. The weekend that follows indulges each in the marital secrets of the other and in doing so sheds light over the question: is the grass always greener on the other side? Blindspot by Elspeth Potter Becca is both excited and intrigued when Dante brings a new toy to their swingers' event. But what fascinates her more is how he wants to use it. Very soon, she is joined by Marcus who assists both Dante and herself in experiencing a new, exciting and heightened pleasure. As they plunge into their shared lascivious adventure, all inhibitions fall away leading them to a sensory finale of climactic proportions. Maggie by Kay JayBee Curiosity gets the better of Maggie, as she follows John and Peter, two well-to-do gentlemen from the village deep into the woods. Her world is soon turned upside down when she witnesses both men indulging in a covert act of carnal pleasure, an act which in her world carries a penalty of eternal damnation. When the two well-heeled men discover their concealed spectator, they draw Maggie in as willing participant, to their much larger and debauched plan.
