Carnage Giving Up the V

When your world, your life

and all of your hopes and

dreams for the future are

ripped out from under

you, how do you go on?  
 Death without dying is not only the most painful kind of death, it's also the most painful kind of life and I don't know if I'm strong enough to live it. I spend my lonely days and nights trying to make sense of what my life has become. Do I have the strength to move forward into the light, or should I just let the darkness take me? I'm Georgia Rae Layton McCarthy and this is the story of me, just me. I'm no longer a part of an us, it's just me. Alone. By myself.  
Census of Ireland, 1881 ...

 Welcome to Rabbit Creek....City girl Elizabeth Reynolds hopes to find peace and contentment in the small Appalachian town of Rabbit Creek. Okay, so the bucolic cottage she's rented turns out to be a dilapidated cabin without phone service, but the people she meets are wonderful. Friendly and down to earth, they welcome her with open arms. It's just like moving to Mayberry... if Andy and Aunt Bea were wolves. Only an outsider would call them werewolves. They're wolvers, a community of man/beasts that have lived in these hills since their ancestors emigrated

from Scotland three hundred years ago. And that gorgeous Chief of Police, Marshall Goodman, the guy she met while covered in mud and wearing granny underpants? The one who sends her heart spinning? He's their Alpha and his pack is under attack from outside forces. Elizabeth, being a sane and reasonable woman, wants no part of any of this, but if she refuses to risk her life and her heart, the people she's grown to care about will lose everything and she'll lose the one man she was born to love.

Spencer "Responsible"

Davis is nowhere ready to

"give up the V," as

opposed to her

hormonally crazed crew of

friends, obsessed with the

who-what-when-where-

how of it all. "It" being . . . well, you get it. Even Spencer's male friends, who claim to have expertise in the matter, offer their services to help relieve her of that pesky letter, much to her embarrassment. But when new-kid Benjamin enters the picture, Spencer begins to rethink her "responsible" moniker, and for the first time she wonders if she's found just the right guy worth trading in her V-card.
